Emergency Number
368-3211

The Campus Police emergency number is a separate telephone number through the Local Verizon Central Office (CO), and is not implemented as part of the switch. It should function as usual even when our telephone system is down.

Use this number ONLY for emergencies. A call ties up both this line and the radio. All other calls to the Campus Police office should be made to extension 27506. If a call is made to another emergency number, e.g. 911, Campus Police must be notified immediately.

Campus Police Emergency Number
368-3211
or 10333 from any Campus Phone

Exterior Emergency Phone

Strategically located throughout the campus.
In an emergency situation press the red emergency button.
The Emergency phone can make local calls by pressing the black call button.
To make local calls, dial 9, followed by the number with the area code.
To make long distance calls a phone card is needed.

Emergency Power Fail Lines

Our phone switch is protected with a large uninterruptible power supply, UPS, and natural gas backup generator. In the event of a power failure the telephone switch will be supplied by the UPS until the generator takes over. The generator will be able to provide power to the phone switch indefinitely.

If we are ever in a situation where the main telephone switch is not operational, there are six emergency lines that will automatically switch over directly to the main lines that come into the campus, called central office trunks. While the telephone switch is not operational these six lines will function like private business lines. The Campus Police emergency number (814-368-3211) will also continue to operate.

The following telephones will be switched to the designated outside lines in the event of a complete telephone switch failure.
